World Coin Special Interest Group

See the attached bulletin for information on the next meeting of the World Coin Special Interest Group. Please see Pete Miller for additional information.

Elections

The January meeting is the time for nominations for club officers so be thinking about those you would like to see in club leadership positions. Elections will be held at the February meeting.

January Educational Program

Continuing the theme began by Scott Goodman at the November meeting, Bob Barton will continue Scott's commemorative theme. Bob will talk about modern commems, the public laws that created them, and some of the controversy that accompanied them. Plan on attending this interesting presentation and bring any modern commemoratives or statehood quarters you find interesting!

Show and Tell

The January meeting is always a great time to show off any of those interesting numismatic purchases you made in the past year so bring those new treasures to the meeting!
